- Do you want a detailed genealogical record?
- Are you interested in storytelling that emphasizes personal narratives?
- Is your goal to create a family memoir or a published book?

Establishing your purpose helps shape your approach and scope.

Choosing the Scope and Format

Determine how broad or narrow your family history will be:

- Generational Focus: Will you concentrate on a specific line or branch?
- Time Period: Are you covering multiple generations or focusing on a particular era?
- Format: Will it be a formal book, a series of articles, a digital archive, or a combination?

Deciding on format and scope ensures manageable progress and clarity in storytelling.

Gathering Initial Information
