Overview of the BLY2H Business Studies Mark Scheme

The BLY2H mark scheme for the May 21, 2012 exam is designed to assess candidates' understanding of business concepts, analytical skills, and ability to apply theory to practical scenarios. It covers a range of topics including business objectives, marketing strategies, financial planning, and operational management.

The mark scheme is divided into sections corresponding to each question, with detailed guidance on what examiners look for in student responses. Typically, marks are awarded based on the quality of explanation, the accuracy of factual content, logical analysis, and the clarity of arguments presented.

Structure of the Mark Scheme

The mark scheme for the May 21, 2012 BLY2H exam generally follows a structured format:

1. Question-specific Mark Allocation

Each question has a predefined total mark, often broken down into sub-parts. For example:

- Part (a): 4 marks
- Part (b): 6 marks
- Part (c): 8 marks

This helps students prioritize their answers and allocate time effectively during the exam.

2. Marking Criteria Breakdown

Marks are awarded based on:

- Knowledge and understanding: Correct factual information.
- Application: Applying concepts to given scenarios.
- Analysis: Explaining implications, comparing options.
- Evaluation: Judging the significance of ideas, making justified conclusions.

The mark scheme provides descriptors for different levels of responses, from basic to excellent.

3. Use of Model Answers and Band Descriptors

Examiner reports often include model answers or sample responses illustrating what is expected for different mark bands, helping markers ensure consistency.

Key Aspects of the 2012 Mark Scheme

Understanding the core elements of the 2012 mark scheme can significantly enhance exam preparation.

1. Focus on Command Words

Questions often include command words such as:

- Explain
- Describe
- Analyse
- Evaluate
- Discuss

The mark scheme clarifies what each command word requires in terms of depth and scope, guiding students to tailor their answers accordingly.

2. Emphasis on Application and Context

Candidates are expected to relate their answers to the specific business scenario provided in the question. The mark scheme rewards responses that demonstrate contextual understanding, linking theory to practical examples.

3. Balance Between Knowledge and Evaluation

While factual accuracy is fundamental, higher marks are awarded for evaluative responses that show critical thinking, consider alternative viewpoints, and justify conclusions.

How to Use the 2012 Mark Scheme Effectively

Students and teachers can maximize the usefulness of the mark scheme through the following strategies:

1. Analyzing Past Papers

Review previous exam questions alongside the mark scheme to understand what examiners are seeking. This helps in identifying common themes and frequently tested concepts.

2. Practicing with Marked Responses

Attempt mock answers and compare them with the mark scheme. This allows learners to assess their performance and identify areas for improvement.

3. Focusing on Command Words and Mark Allocation

Ensure responses address all parts of the question and meet the depth expected for each mark band.

4. Developing a Balanced Answer

Combine factual knowledge with analysis and evaluation, especially for higher mark questions. Use the mark scheme as a checklist to ensure all criteria are covered.

Sample Questions and How the Mark Scheme Guides Responses

Below are examples of typical questions from the 2012 BLY2H exam and how the mark scheme informs the best approach.

Example 1: Explain the importance of setting clear business objectives (Total: 4 marks)

Mark Scheme Guidance:

- Clear explanation of why objectives matter (e.g., provides direction, motivates staff).
- Mention of specific types of objectives (e.g., profit, growth, social responsibility).

- Use of relevant business examples or scenarios.

Ideal Response:

> Setting clear business objectives is important because it provides direction for the company, helping employees understand what they need to achieve. Well-defined objectives motivate staff and enable the business to measure progress effectively. For example, a company aiming for a 10% increase in sales will focus its efforts accordingly.

Key to scoring full marks: Be concise, specific, and relate to the scenario.

Example 2: Analyse the advantages and disadvantages of outsourcing production (Total: 8 marks)

Mark Scheme Guidance:

- Analytical points discussing benefits such as cost reduction, focus on core activities.
- Consideration of disadvantages like loss of control, quality issues.
- Balanced discussion with relevant examples.
- Justification of points to support evaluation.

Ideal Response:

> Outsourcing production can reduce costs for a business, as it allows specialization and access to cheaper labor markets. Additionally, it enables the company to focus on core competencies, such as marketing or product design. However, outsourcing also has disadvantages, including the loss of control over quality standards and potential delays in production. For instance, if a manufacturer outsources to a supplier with unreliable delivery, it could harm customer satisfaction. Overall, while outsourcing offers cost benefits, firms must weigh these against potential risks to maintain quality and reliability.

Key to scoring: Present a balanced view with clear analysis and relevant examples.
