A dormant account can pose several issues:

- Regulatory compliance concerns: Banks are mandated to report and manage dormant accounts appropriately under AML (Anti-Money Laundering) and KYC (Know Your Customer) norms.
- Customer accessibility: The account holder may be unaware of its status, risking missed opportunities or potential misuse.

- KYC and AML Laws: Banks may require updated documentation to ensure compliance before reactivation.
- Company Law and Corporate Governance: For corporate accounts, the process often involves internal resolutions and documentation.
