Introduction to the 2nd Print Variant

What Is a 2nd Print Variant?

In comic book publishing, a second print is produced when the initial run of a particular issue sells out quickly, prompting the publisher to reprint the issue to meet continued demand. Variants, especially in today's market, often feature unique cover art or printing differences to entice collectors.

The 2nd print variant of Batman: The Dark Knight Vol. 2 1, therefore, is a reissued version of the original first issue, distinguished by specific visual cues or cover designs. These variants are often produced in smaller quantities, adding to their rarity and collectible value.

Distinctive Features of the 2nd Print Variant
