The Art of Animation Cels and Their Collectibility

What Are Animation Cels?

Animation cels are transparent sheets made of acetate or cellulose that hold individual frames of hand-drawn animation. Artists paint characters and backgrounds on these sheets, which are then photographed in sequence to create animated scenes. Original animation cels are highly prized collectibles because:

- They are hand-crafted and unique.
- They capture a moment in animation history.
- They often feature beloved characters in iconic poses.
- Their rarity and condition influence their value.

Sesame Street Cels as Collectibles
