For Worship Leaders

Worship leaders can utilize the "Preview Only" feature to curate a setlist that aligns with their congregation's musical preferences. By listening to previews, they can assess:

- Arrangement style (modern, traditional, blended).
- Vocal ranges and harmonies.

- Instrumentation and band requirements.

This process streamlines planning and ensures that song choices resonate well with the congregation.

For Musicians and Bands

Musicians can preview arrangements to prepare for rehearsals. They can determine whether the sheet music matches their skill level and if additional arrangements or customizations are needed.

For Churches and Worship Teams

Churches can make bulk evaluations by listening to multiple previews in one session. This is particularly useful when expanding their song library or updating current worship sets.

Limitations of "Preview Only" PraiseCharts

While the preview system offers many advantages, there are some limitations worth noting:

- Limited Duration: Previews are typically short, which may not provide enough detail for in-depth evaluation.
- Lack of Interactive Features: Users cannot manipulate or customize arrangements during the preview.
- No Full Audio or Sheet Access: To access the complete arrangement, users must purchase or subscribe, which may be a barrier for some.
- Potential for Misinterpretation: Audio previews may not fully convey arrangement intricacies, leading to possible mismatches in expectations.
