Its design focuses on simplicity, encouraging players to think creatively and strategically within a straightforward framework. The game is suitable for players aged 8 and up, making it perfect for families, friends, and even casual game enthusiasts.

The Core Concept

This rule governs every move, creating a flexible yet disciplined environment where players build out a shared structure.

Why It's Called 'Continuo'

The term 'Continuo' hints at the game's continuous nature, emphasizing ongoing placement and expansion without predefined victory conditions—players often set their own goals or simply aim to sustain the game as long as possible. This open-endedness allows for endless variations, making each game a unique experience.
